For Authors & Referees

This section offers the following resources for prospective authors and referees:

Please see "[Preparation of Articles](#)" for:

Information on accepted article types, publishing original research, general manuscript publication, disclosures/conflicts of interest, style guidelines, acknowledgments, author contributions, references, figures, tables, and supplementary material.

Please see "[How to Submit](#)" for:

Information on corresponding with the journal, online submission guidelines, and submissions of revisions.

Please see "[Open Access & Self-Archiving](#)" for:

Information on licensing, self-archiving, digital preservation, and DOIs.

Please see "[Costs](#)" for:

Information on color figure and page charges, as well membership discounts.

Please see "[Editorial Policies](#)" for:

Information on authorship, disclosures, communication of media/scientists, preprints, permissions, gene nomenclature, biosecurity, plagiarism, etc.

Please see "[English Language Support & Useful Tutorials](#)" for:

English language editing services and author/reviewer tutorials.

Please see "[For Referees](#)" for:

Information about publication criteria, selection of referees, conflicts of interest, confidentiality, the review process, and how to write a report.
