PRECEPTOR REQUIREMENTS

Education

- FNP, AGACNP, AGPCNP, PPCNP, PACNP, PMHNP: holds a master's or doctoral degree in specialty area.
- Psychiatric Clinical Nurse Specialist.
- Psychiatrist (Board Certified).
- CNM: holds a master's or doctoral degree in area of practice.
- MD or DO.

Benefits

- NurseTim.
- NKU Preceptor Recognition.
- NKU offers a Professional Development Provision through a system called payment works.
- NKU offers ANCC or AANPCP certification letters for the hours of precepting completed.

Before Precepting

- Before a preceptorship can take place, each practice site must fill out an Affiliation Agreement. Both the practice site and NKU must finalize the agreement before the intended clinical term.
- To start your preceptorship, we will need a copy of your CV/resume and license to begin the process of preceptorship.

- PA: holds a master's or doctoral degree (if allowed as a preceptor by the state).
- Psychologist or a graduate degree-prepared counselor.
- LPCC - Licensed Professional Clinical Counselor.
- LICSW - Licensed Independent Clinical Social Worker.
- Nurse Executive.

Commitment

- The preceptor is willing and able to commit to the preceptor role for the practicum experience.
- Each clinical rotation is a 7-week commitment for approximately 125 hours per student.

Experience

- Must have at least one year of experience in current role with current education level.
