

MORE DATA. MORE ANSWERS.

DIAGNOSTIC CONFIDENCE

GeneDx can make finding a definitive diagnoses possible, even in complex cases because our database contains more than 1M specimens, and 300k clinical exomes sequenced.

RESULTS, FASTER

With our XomeDxXpress® & GenomeXpress tests, we can provide verbal answers in as early as 7 days.

SHORTEN THE ODYSSEY

Exome and genome tests save between 5–30 years for a rare disease diagnosis¹
